# ABOUT US

Belgian Chocolate Creations is a **family-owned** business with over 35 years of experience in the chocolate and confectionery industry.

We are a chocolate manufacturer with a wide range of filled chocolates with innovative flavours, produced with the finest **Belgian chocolate**. Our commitment to always use the best ingredients guarantees that each creation is an ode to the heritage of Belgian chocolate.

All our products are also available in **private label** packaging. We offer our customers a complete private label experience, from concept and recipe to branding.

Our manufacturing process strictly adheres to industry standards. We are **IFS certified**, which reflects our commitment to quality and safety.

*Crafted in Belgium, loved everywhere*
